Better Together Challenge is a project developed by the T. Denny Sanford School of Social and Family Dynamics at Arizona State University. It supports student-led initiatives to create environments that are safe, inclusive, and equitable for all students. Through this effort, we promote the idea that we are better together and that positive and inclusive school relationships help students thrive in the classroom and beyond.

We are excited to read your final project report! We encourage you to work on the questions below with your team, your project advisor(s), and your ASU mentor.

**Deadline:** Midnight on Friday, April 12, 2019
