

# DAY IN THE LIFE OF A SCHOOL NURSE

1

Approximately **45 minutes\*** of commute time

2

**1 hour and 20 minutes\*** of training (e.g. professional development or continued education requirements), this is because these nurses are new to the profession.

3

**1 hour and 10 minutes\*** of attending meetings, writing reports, and other administrative tasks

4

**6 hours\*** of clinical nursing care like administering medications, patient counseling, and charting

5

Approximately **45 minutes\*** of other tasks outside of their typical tasks and responsibilities

\*These figures come from a sample of 31 nurses new to nursing, hired into rural school districts in Arizona for the 2022-2023 school year. This infographic was last update in November 2023.
